d. Plans are under consideration to start another special course in the spring of 1948. All the students graduating at that time who have shown special abilities during the first year of training will take this course. The course is to be on the gymnasium level (of the industrial type), so that the pupils can continue their education on higher levels up to the university standard.

e. Industries with S.P.P. a

Industry	Number of S.P.P.'s	Remarks
Coal and Metal Industries	3 15	For youths aged 17 - 19.
Metallurgical Industry	7	Located at Wroclaw, Gli- wice, Foznan, Bielsk, Zielone Gora (Grünberg), Szczecin, Elblag (Elbing).
Textile Industry	5	The only industry which trains peasants in weaving and spinning.
Mineral Industry	2	Ceramics and stone masonry,
Leather Industry	1	Run in connection with the Ota works at Odmet, Bytom (Beuthen) district.

- f. Planning for the future envisages the training of 50,000 peasant youths in the SPP's, including 15,000 20,000 in the coal industry schools.
- g. As in the USSR, the administration of the schools comes under the Ministry of Education. The Government uses the SPP for propaganda purposes, representing them as a blessing of the new "people's democracy", and the peasant youth are informed that this system ensures a social advance for them which they could not hope to achieve under any other regime.
